Bridging Business & Cybersecurity | 10+ Years in Business Administration & Project Coordination | Strategic Operations & Executive Support | GRC • IT Risk | Veteran Spouse
Fayetteville, North Carolina Metropolitan Area

Summary

Business Administration Specialist and Project Coordination Professional with 10+ years of experience in Germany’s B2B energy sector focusing on data quality, process optimization, and regulatory compliance.A major milestone was building an electronic regulatory handbook to centralize company policies. In this role, I also supported IT and informational unbundling compliance requirements under Germany's Energy Industry Act (EnWG) and EU directives.Key Focus & Skills:• Regulatory Compliance: IT & Informational Unbundling (EnWG / EU Directives), policy centralization, and process governance.• GRC & IT Risk Focus: Actively expanding expertise in GRC, ISO 27001 frameworks, IT risk management, and responsible AI governance.• Hands-On Cybersecurity: Practical training through CyberSkills2Work and Capture The Flag (CTF) challenges.I welcome connections with professionals in this field.
